YEAR OF SAINT FRANCIS

Presented by Paula Wood, OFS
Secular Franciscan Order

THE LIFE OF ST. FRANCIS OF ASSISI

Celebrating God's Humility the saint was profoundly impressed by the simplicity and the poverty of God, who entered our world as a poor person.

In his exuberance and passionate love for the incarnation of God that is revealed in Jesus of Nazareth, Francis invented a dramatic way to preach about this mystery.

In 1223 he created the first Christmas crib so that the people around the Italian village of Greccio could have a practical and personal experience of the incarnation of Jesus and what it meant for ordinary people.

On Christmas Eve, St. Francis invited the people of the region into a cave that he had filled with straw and animals. He wanted them to feel the heat generated by the animals in the stable and to smell the damp hay crammed into the cave's close quarters. He prepared a crib that was originally intended for the animals' food as a resting place for the infant Christ.
